

GUIDELINES FOR QUALITY CONTROL TESTING

Please follow the procedure given below for the quality control testing of veterinary biologicals:

1. All the communications should be addressed to the Director, CCS National Institute of Animal Health, Baghpat, 250609, Uttar Pradesh.
2. Before submitting a sample for quality control testing to CCSNIAH, please obtain the consent from the institute for readiness. For this please send the duly filled [Quality Control Request Form- Form IA](#) for this purpose.
3. You will be receiving the consent letter from CCSNIAH along with vaccine receiving form, by email.
4. Please submit the samples within the prescribed time period along with duly filled [Vaccine Receiving Form- Form IIA](#)
5. CCSNIAH will be sending acknowledgement on receipt of vaccine samples
6. In case any further query/problem, please contact the institute.
7. After receiving results of quality control testing from the institute, please fill in and submit the [Client Feedback Form](#).
